

Opus

Il fascino del vero mosaico artigianale che è caratterizzato da una valenza estetica contemporanea, disponibile in piccole tessere di mosaico di porcellanato.

The real charm of the hand-made mosaic which is composed of a multi-size square and rectangular geometry that always seems current.

Le pure charme des couleurs classiques, combinée avec une touche moderne à un choix original de petits carreaux de micro mosaïque.

Der Charme der klassischen Farben mit einem modernen Touch zu einem ursprünglichen Auswahl an sehr kleinen Mosaiken.
